

# CTC Propane Cart 12.5

Our propane tanks are specifically engineered to be ergonomically safe and flexible for every industry. Manufactured in the United States, this product holds 12.5 inch diameter tanks while providing an unbreakable wheel and strap locking system that keeps employees and equipment safe. Our patented three-wheel design allows for a complete 360 degree rotation that fully eliminates having to tilt the cart.

## Other Features Include:

**CUSTOMIZABLE COLORS**

**A LARGE FLAT SURFACE AREA**

**HEAVY DUTY STEEL CONSTRUCTION**

**LARGE RUBBER COATED WHEELS FOR EASY MOBILITY**

**HOLDS 12.5" TANK**
